

STUDENT THREAT ASSESSMENT & MANAGEMENT SYSTEM

Teacher/Staff/Other Service Provider Questionnaire - Level 1

Step 1 Directions for Interviewer

Contact teacher/staff/other service provider and describe threat, dangerous situation, or aggressive action that has brought this student to your attention. Explain our obligation and responsibility to investigate and assess any situation that may be dangerous for the student and/or others. Request that teacher/staff/other service provider complete this questionnaire as thoroughly as possible. **The numbers in parenthesis at the end of each question refer to the corresponding Level 1 Protocol questions that are to be addressed in accordance with the information collected in this questionnaire.**

This questionnaire is only to be completed as a supplement to the Level 1 Assessment Protocol if a teacher or staff member does not attend the Level 1 Assessment. The Level 1 process is an examination of current circumstances, and as these circumstances change, so too does concern for aggression; therefore, review the results of this questionnaire while being mindful of supervision, intervention, and the passage of time. Each question is a prompt for exploration of circumstances that may involve the escalation of aggression.
